Case No.: 2:15-cv-07671-MWF-JEM

**JOINT RULE 26(F) REPORT**

*Date: November 23, 2015*

*Time: 11:00 AM*

*Dept: Courtroom 1600*

*Judge: Hon. Michael W. Fitzgerald*

*Trial Date: None Set*

1 Pursuant to Rule 26(f) of the Federal Rules of Civil Procedure, counsel for  
2 Plaintiff and Defendant hereby submit to the Court this Joint Rule 26(f) Report:

3 **A. Statement of the Case:**

4 **Plaintiff:**

5 This action arises out of Defendant's violations of the Telephone Consumer  
6 Protection Act, 47 U.S.C. § 227, *et. seq.* ("TCPA"). Defendant called Plaintiff's  
7 cellular telephone on multiple occasions using an automatic telephone dialing system  
8 and/or an artificial or prerecorded voice. Around December 2014, Plaintiff demanded  
9 that Defendant cease calling his cellular telephone. Defendant continued to call  
10 Plaintiff's cellular telephone with prerecorded messages, despite Plaintiff's  
11 advisement and request that the calls cease.

12 **Defendant:**

13 This case ultimately comes down to Plaintiff's granting prior express consent to  
14 receive calls at his cell phone number concerning his home mortgage loan with Wells  
15 Fargo. Wells Fargo's records show that Plaintiff signed a customer contact disclosure  
16 form, specifically consenting to ATDS and/or pre-recorded/artificial voice contact in  
17 conjunction with his Wells Fargo home mortgage loan, and provided full loan-level  
18 consent to be contacted at his cell phone number. Although Plaintiff contends that he  
19 revoked consent to receive such calls circa December 2014, Wells Fargo has no  
20 record of revocation by Plaintiff at any time. As such, to the extent any calls were  
21 made in conjunction with Plaintiff's home mortgage loan account, those calls were  
22 made with Plaintiff's prior express consent, and were not in violation of the TCPA.  
23  
24

**B. Subject Matter Jurisdiction:**

Jurisdiction is appropriate pursuant to 47 U.S.C. § 227(b)(3) and 28 U.S.C. § 1331. Venue is proper in this District pursuant to 28 U.S.C. § 1391(b), in that Defendant transacts business in this District and a substantial portion of the acts giving rise to this action occurred in this District.

**C. Legal Issues:**

- a. Whether Defendant violated the Telephone Consumer Protection Act, 47 U.S.C. § 227, *et seq.* (“TCPA”);
- b. Whether Defendant used an automatic telephone dialing system (“ATDS”) when calling Plaintiff’s cellular telephone;
- c. Whether Defendant had Plaintiff’s prior express consent to call his cellular telephone using an ATDS;
- d. Whether Plaintiff revoked his consent to receive ATDS calls;
- e. The total number of calls “made” within the meaning of the TCPA;
- f. Whether Defendant’s calls to Plaintiff were made in knowing and/or willful violation of the TCPA, such that the imposition of treble damages is warranted.

**D. Parties, Evidence, etc.:**

 17 with Plaintiff; the names of agents of Defendant that communicated with Plaintiff;  
 18 Defendant's collection notes, call logs, dialer reports, and recordings of conversations  
 19 regarding the debt at issue.

20 Plaintiff further anticipates needing discovery regarding Defendant's telephone  
 21 systems and operating procedures for connecting calls, the number and duration of  
 22 calls to Plaintiff, and whether consent existed to contact Plaintiff's phone number.

23 *Defendant's response:*

24 The issues upon which Defendant anticipates discovery will be conducted  
 include, but are not limited to, the number and identification of calls at issue in this  
 case, the purpose of such calls, any actions taken or statements made by Plaintiff in

~~conjunction with such calls or any other communications between Plaintiff and Wells~~

Fargo regarding his mortgage loan account, including to the extent those communications constitute consent and/or revocation, and Plaintiff's damages alleged in this action, if any. Defendant reserves the right to conduct discovery on any other issues related to the subject-matter of this action, as needed.
